**Aversano & Gold | [cuttingedgejustice.com](http://cuttingedgejustice.com)**

We are a small firm dedicated to the representation of individuals who have experienced life-altering or fatal injuries due to the negligence of others. We handle a variety of litigation, including representation of individuals who have been victims of medical malpractice, corporate malfeasance, defective products, irresponsible trucking practices, as well as plant and construction site safety mismanagement. Our guiding principle is to remain passionately committed to the goal of obtaining an appropriate measure of justice through the legal system for our clients that provides them the opportunity to find new pathways, meaning, and purpose in life through the restoration of their dignity.
