Fundamentals of Healthcare: Stark Law,  
Anti-Kickback Statute and HIPAA

© 2020 JACKSON WALKER LLP

## Two Primary Fraud and Abuse Statutes

- Stark Law
  - Civil Statute
  - Prohibits Physician Referrals to entities in which they invest
- Anti-Kickback Statute
  - Criminal Statute
  - Prohibits Payments for Referrals
- State Laws

# Stark Law

- H.R. 5198 introduced on August 10, 1988 by Representative Fortney “Pete” Stark (D-Cal.) Eventually Stark I and the 1993 amendments, known as Stark II, were born.
- Initially created to:
  - Limit impermissible physician self-referrals by providing “bright line” rules as to the types of arrangements that are permissible and prohibited.
  - Impose penalties severe enough to provide incentive for self-enforcement in the industry.

# Stark Statute

42 U.S.C. § 1395nn

A physician may not refer a Medicare or Medicaid patient to an entity for furnishing “designated health services” if the physician or an immediate family member has a financial relationship with that entity, unless an exception is present.

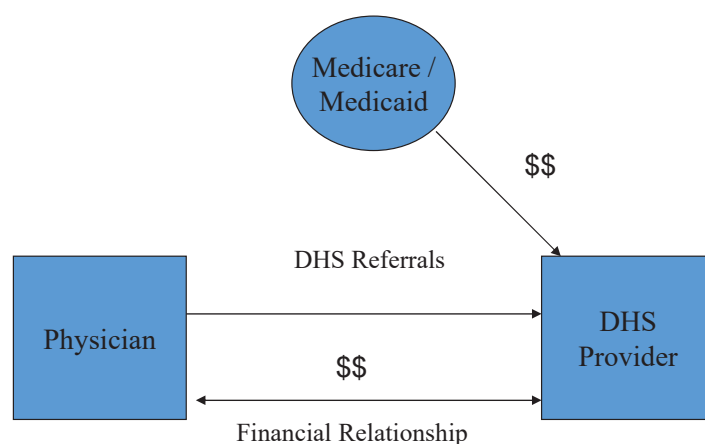

# Designated Health Services

Why are **Designated Health Services** special?

- 1) Clinical laboratory services
- 2) Physical therapy services
- 3) Occupational therapy services
- 4) Radiology services, including magnetic resonance imaging, computerized axial tomography scans, and ultrasound services
- 5) Radiation therapy services and supplies
- 6) Durable medical equipment and supplies
- 7) Parenteral and enteral nutrients, equipment, and supplies
- 8) Prosthetics, orthotics, and prosthetic devices and supplies
- 9) Home health services
- 10) Outpatient prescription drugs
- 11) Inpatient and outpatient hospital services
