Sunnova Adaptive Community™

Providing communities with cleaner, more affordable and reliable power through a better energy service

Sunnova Adaptive CommunityTM microgrid design for new homes and developments

Integrated

By unifying all Sunnova Adaptive Community™ technologies with real-time data on energy usage, grid status, utility rates, time of day, weather and more, customers get a holistic energy service through a single provider.

Resilient

The Sunnova Adaptive Community™ provides unparalleled reliability by anticipating and preparing for outage events. It minimizes energy disruptions and empowers customers with the flexibility to manage their preferences.

Insightful

The Sunnova Adaptive Community™ is powered by our intelligent energy management platform, Sunnova Sentient™, which combines data insights, AI and machine learning to optimize and automate the energy ecosystem.
