INSTITUTE

Davis, Gerald & Cremer PC | dgclaw.com/

Davis Gerald & Cremer is an oil and gas firm headquartered in Midland with a growing office in Austin. Its lawyers handle trials and appeals of oil and gas lawsuits, perform title examination, provide regulatory counsel and advocacy before the Railroad Commission of Texas and the General Land Office, and advise clients in transactions involving oil and gas properties. While our lawyers are based in Midland and Austin, we handle cases around the state.

Locke Lord LLP | lockelord.com

The roots of Locke Lord's extensive energy experience date back to the firm's founding. Locke Lord provides full service capabilities to our clients in every discipline of the energy business, including mergers and acquisitions, asset acquisitions and dispositions, operations, contracts, joint ventures, private equity, capital markets, finance, regulatory, litigation and dispute resolution, project development, environmental, tax, real estate, labor and employment, intellectual property and bankruptcy, restructuring and insolvency.

Whether our client's business involves exploration and production, gathering, storage and processing, refining, power generation, alternative and renewable energy, trading and marketing or providing services and equipment to the industry, our team brings its vast knowledge and experience to bear. We know the energy business inside and out. We serve as trusted advisors to our clients from the most complex of transactions and disputes to day-to-day operational needs.

McGinnis Lochridge | mcginnislaw.com

McGinnis Lochridge is a Texas-based firm with offices in Austin, Houston, Dallas, and Decatur providing quality legal services for more than 90 years. We represent clients throughout the petroleum industry in Texas and across the country. We represent major oil and gas companies, independents and landowners in disputes and lawsuits, ranging from individual tract claims to nationwide class actions. Building on a firm history dating back nearly a century, McGinnis Lochridge lawyers have dealt with the developing issues in unconventional shale plays throughout Texas and North America. Our work in the unconventional shale plays in South Texas and the Permian Basin builds on decades of a strong firm presence in courtrooms throughout South Texas and West Texas. We also work regularly with Texas governmental agencies including the Railroad Commission of Texas (RRC) and the Texas Commission of Environmental Quality (TCEQ), as well as local municipalities and water districts.

Scott Douglass & McConnico LLP | scottdoug.com/

Scott Douglass & McConnico LLP (SDM) is a firm of experienced advocates who regularly handle trials, hearings and appeals. Our lawyers seek the most strategic and cost-effective solution to our clients' problems, whether it is a contract dispute, a professional malpractice claim, a tax dispute or an oil & gas regulatory issues, and pride ourselves on efficient resolution of cases. SDM's oil and gas, natural resources and energy practices is one of the best in the nation. For more than 40 years, our attorneys have advised clients and litigated issues regarding royalties, ownership, leases, operations, exploration, production, regulatory issues, processing, transportation and taxation of natural resources. The administrative energy law practice is one of the largest in the state, covering a variety of matters before the Railroad Commission of Texas, the Comptroller, the General Land Office and the Public Utility Commission.
