

PREMIER SPONSOR

KIRKLAND & ELLIS

Kirkland & Ellis LLP | kirkland.com

With a global platform of more than 3,000 lawyers in 18 cities across the United States, Europe and Asia, Kirkland & Ellis provides elite legal services and a relentless commitment to client service. Our team of 300 IP attorneys protects our clients' ideas, technology, products and brands, representing them in complex IP litigation, transactions and counseling matters. Our IP litigation attorneys have achieved extraordinary results in patent, copyright, trademark, trade secret misappropriation and advertising matters, and we excel in large-scale, bet-the-company cases. We have extensive experience in venues where IP cases are most often litigated, and we try cases before juries, judges and arbitrators. In addition, we have 80 attorneys fully dedicated to negotiating, structuring and closing complex transactions driven by innovation or technological opportunities, including joint ventures, strategic alliances, licenses, outsourcing, collaborations and other strategic commercial agreements.

NETWORKING RECEPTION SPONSOR

HAYNES BOONE

Haynes and Boone, LLP | haynesboone.com

Haynes and Boone, LLP is an international corporate law firm with 18 offices, spanning Texas, New York, California, Charlotte, Chicago, Denver, Washington, D.C., London, Mexico City and Shanghai, providing a full spectrum of legal services in technology, financial services, energy and private equity. With over 600 lawyers, Haynes Boone is ranked among the largest U.S.-based firms by The National Law Journal, The American Lawyer and The Lawyer. It was recognized in the BTI Consulting Group's 2022 "A-Team" report, which identifies the law firms that in-house counsel recommend for providing superior client service. The Patents Practice Group at Haynes Boone provides clients with a full range of services to protect and profit from their intellectual property. We routinely handle patent prosecution – we've filed more than 19,000 applications in the United States and abroad in the past five years – and we offer sophisticated counseling and portfolio management, as well as representation in post-grant proceedings at the U.S. Patent and Trademark Office (USPTO), litigation in federal courts and cases before the U.S. International Trade Commission (ITC).

THURSDAY LUNCHEON AND PRESENTATION SPONSOR

Morrison Foerster LLP | mofo.com

Morrison Foerster's leading Intellectual Property practice is the work of an interdepartmental group of lawyers focusing on patent, trademark, copyright, trade secret, unfair competition, technology transactions, licensing, and related intellectual property matters. The firm has one of the largest intellectual property practices of any general practice firm—with more than 300 lawyers stationed in major financial centers in the U.S., Asia, and Europe—and represents the most innovative companies and recognizable brands in the world.

WEBCAST UNDERWRITER

Ocean Tomo, a part of J.S. Held | oceantomo.com

Ocean Tomo, a part of J.S. Held, provides Expert Opinion, Management Consulting, and Advisory services focused on matters involving intellectual property (IP) and other intangible assets. Practice offerings address economic damage calculations and testimony; business licensing strategy and contract interpretation; trade secret reasonable measures; asset and business valuation; strategy and risk management consulting; merger and acquisition advisory; debt and equity private placement; and IP brokerage.

Ocean Tomo experts are routinely qualified in U.S. courts, international courts, and arbitration tribunals on questions relating to intellectual property economics. The firm's professionals have provided expert opinions on IP valuation, reasonable royalty, lost profits, price erosion, commercial success, corrective advertising, creditor allocations, business licensing terms including RAND obligations, venture financing, and equities of a potential injunction. The firm's experience extends to commercial disputes, domestic and foreign, as well as policy issues affecting international technology transfer and economic matters before the International Trade Commission.

Subsidiaries of the firm include Ocean Tomo Investments Group, LLC, a registered broker-dealer. As a part of J.S. Held, Ocean Tomo works alongside more than 1500 professionals globally and assists clients – corporations, insurers, law firms, governments, and institutional investors – on complex technical, scientific, and financial matters across all assets and value at risk.

McDermott Will & Emery LLP | mwe.com

McDermott Will & Emery's global intellectual property practice includes over 100 lawyers and professionals who offer a unique mix of business savvy and technical skill to achieve success for our clients. Nearly 75% of our members have technical degrees in science and engineering, and more than one-third have advanced degrees in relevant technical disciplines. Our business-first perspective makes us uniquely equipped to help our clients build formidable IP portfolios, maximize their value, and enforce or defend them when necessary. With dedicated lawyers and legal professionals located in key markets in the US, Europe, and Asia, our team works seamlessly across practices, industries and geographies to deliver highly effective—and often unexpected—solutions that propel success.

McKool Smith

McKool Smith | mckoolsmith.com

With 130 trial lawyers across offices in Austin, Dallas, Houston, Los Angeles, Marshall, New York, and Washington, D.C., McKool Smith has established a reputation as one of America's leading trial firms. The firm has secured 14 nine-figure jury verdicts and 15 eight-figure jury verdicts, obtaining more VerdictSearch and The National Law Journal "Top 100 Verdicts" than any other law firm. These courtroom successes have earned McKool Smith critical acclaim and helped the firm become what *The Wall Street Journal* describes as "one of the biggest law firm success stories of the past decade." McKool Smith represents clients in complex commercial litigation, intellectual property, bankruptcy, insurance recovery, and white collar defense matters.

NORTON ROSE FULBRIGHT

Norton Rose Fulbright | nortonrosefulbright.com/us

Norton Rose Fulbright is a global legal practice with approximately 4,000 lawyers based in more than 50 offices worldwide, providing the world's pre-eminent corporations and financial institutions with a full business law service. With more than 250 lawyers, patent attorneys and trademark agents across five continents, our global intellectual property team has extensive experience providing comprehensive, multidisciplinary IP law services to clients. Our team has experience that spans the spectrum of issues that are crucial to companies that rely on IP assets for their success, including: obtaining, enforcing and licensing patents, trademarks and copyrights; litigating infringement claims; developing proactive enforcement strategies to protect IP; and auditing and assessing IP assets. Our lawyers are skilled at analyzing a company's IP and developing strategic methods to protect it; as a result, businesses around the world choose us as their IP counsel. Many of our professionals hold scientific degrees, including masters and Ph.D.s, to complement their practical experience and combine deep industry and technical knowledge with broad legal understanding.

SpencerFane®

Spencer Fane | spencerfane.com

Spencer Fane is a full-service law firm with more than 450 attorneys across 23 offices in Arizona, California, Colorado, Florida, Kansas, Minnesota, Missouri, Nebraska, Nevada, Oklahoma, South Carolina, South Dakota, Tennessee, and Texas. Attorneys are organized into 22 primary practices, and possess substantial experience in many sub-specialties and industries.

The Spencer Fane Intellectual Property team possesses both the technical knowledge and legal experience necessary to protect inventors, entrepreneurs, and businesses of all sizes, allowing them to translate their creativity into marketable products and services.

Our team guides individuals and businesses through preparation and prosecution of complex patent, copyright, and trademark matters in patent offices around the world. We also assist our clients with more general technology issues including licensing, product development, due diligence, cyber security, innovation, IP theft, and assignment of ownership.
